MINISTRY OF EDUCATION
KADUNA STATE, NIGERIA

Dear Sir/Ma,

Approval to Commence Training for Accredited Courses

Following the successful accreditation of the following courses at your institution by the relevant Council/Board established by law, the Ministry hereby grants approval to commence training for these courses:

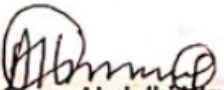

This approval is strictly for the accredited courses listed above. No other courses shall be offered without prior approval and accreditation.

The Ministry reserves the right to withdraw approval if the institution fails re-accreditation or compliance inspections.

Non-compliance with these conditions will lead to cancellation of approval, closure of the institution, and prosecution under relevant laws.

The college must ensure that all training standards, facilities, and staffing requirements stipulated by the accreditation council/board are continuously maintained

We congratulate your institution and expect strict adherence to all regulations and guidelines in the conduct of your academic programs.
